Notes for main contractor

Please be advised that all mechanical & engineering notes and drawings provided by Poliform UK Ltd are to be taken as advice only.

Poliform suggests the best location for mechanical & engineering services based on the appliance requirements as well as the design of Poliform cabinets.

Any technical changes made must be confirmed with the appliance manufacturer and not Poliform.

All deviations from the recommended set up including choice or location of flex outlets, socket outlets, as well as water or gas stop valves, fused spurs and isolation switches may void manufacturers' warranty and Poliform will not take responsibility for this.
